

# Unlock Instructions by EarthWizeCellular.com

---

## How to enter my Unlock Code on a Pantech Cell Phone?

1. Power on phone with an Accepted SIM card.
2. Enter the following: \*#865625#
3. A SIM Unlock Menu will appear, press OK
4. Enter Unlock Code (8 digit code) and press "\*" key.
5. Re-enter Unlock Code (8 digit code) and press "\*" key.
6. Your phone will display Unlock Process Complete. Press OK.
7. The phone is now unlocked.
